TATTENHOE PARK

DRAFT MASTER PLAN

A new sustainable community for Milton Keynes

CONSULTATION FEEDBACK FORM. PLEASE ENSURE THAT YOUR COMMENTS ARE RETURNED BY 23 FEBRUARY 2006

The Milton Keynes Partnership welcomes your comments on Tattenhoe Park and the proposed master plan. Feedback is valuable to us. As we progress the scheme design, we will endeavour to incorporate views and comments received into the plans if we can. Please complete and return this form - comments can be sent by post (no stamp needed) or by e-mail (details overleaf).

Please give your comments on:

1) What design ideas can we consider to help make sure that Tattenhoe Park becomes a great place to live?

2) The vision for Tattenhoe Park is to deliver a new residential neighbourhood that provides a variety of high quality spaces and places through a combination of best practice in urban design, flexible housing, high quality landscape provision, transport planning and energy efficiency. Do you agree with this vision for Tattenhoe Park? What would you like to add or change?

3) Super-flexible homes at Tattenhoe Park would be designed to allow easy adaptation or extension to meet a family's changing circumstances over time. Do you support the concept of super-flexible homes? How do you think it could be improved?

4) Do you think that the provision of playing facilities and open space facilities is appropriate and in the right locations? How might this be improved?

5) Do you think that the provision of the local shopping centre, including a mini-market and a range of other smaller shops and facilities, is appropriate and in the right location?

6) Are there any other services and facilities that you would like to see provided at Tattenhoe Park that are not already shown in the master plan?

7) Please comment on any other issues that concern you about the Tattenhoe Park master plan.
